Explanation of Responses:

- This transaction was executed in multiple trades at prices ranging from \$179.52 to \$179.575. The price reported above reflects the weighted average purchase price. The reporting person hereby undertakes to provide upon request to the SEC staff, the issuer, or a security holder of the issuer, full information regarding the number of shares and prices at which the transactions were effected.
- Held through "contrat d'assurance vie," a form of life insurance program, where the reporting person maintains investment control over the Microsoft shares held in the program. Beneficiaries of the program include the reporting person's children. The reporting person disclaims beneficial ownership of these securities, except to the extent of his pecuniary interest therein.
- Held through "contrat de capitalisation," a form of life insurance program for the benefit of the reporting person's two children, or inheritor, where the reporting person maintains investment control over the Microsoft shares held in the program. The reporting person disclaims beneficial ownership of these securities, and this report shall not be deemed an admission that the reporting person is the beneficial owner of the securities for purposes of Section 16 or any other purpose.
