## PROSPECTUS

## MICROSOFT CORPORATION

953,849 Common Shares  
Par Value of \$.00005 Per Share

-----  
This Prospectus relates to up to 953,849 shares of common stock (the "Shares") of Microsoft Corporation, a Washington corporation ("Microsoft"), which may be offered from time to time by the selling shareholders named herein (the "Selling Shareholders"). Microsoft will not receive any of the proceeds from the sale of the Shares. Microsoft will bear the costs relating to the registration of the Shares estimated to be approximately \$37,000.

The Shares are registered as a result of a merger (the "Merger") between Microsoft, Bumbershoot, Ltd., a Delaware corporation and wholly owned subsidiary of Microsoft, and Vermeer Technologies, Inc. ("Vermeer"). Pursuant to the Merger, Microsoft agreed to register the Shares received by each Selling Shareholder in the Merger.

Microsoft has been advised by each Selling Shareholder that he or she expects to offer his or her Shares through brokers and dealers to be selected by him or her from time to time. The Shares may be offered for sale through the Nasdaq Stock Market, in the over-the-counter market, in one or more private transactions, or a combination of such methods of sale, at prices and on terms then prevailing, at prices related to such prices, or at negotiated prices. Certain of the Selling Shareholders may distribute their shares, from time to time, to their limited and/or general partners who may sell Shares pursuant to this Prospectus. Each Selling Shareholder may pledge all or a portion of the Shares owned by him or her as collateral in loan transactions. Upon default by such a Selling Shareholder the pledgee in such loan transaction would have the same rights of sale as the Selling Shareholder under this Prospectus. Each Selling Shareholder may also transfer Shares owned by him by gift and upon any such transfer the donee would have the same rights of sale as such Selling Shareholder under this Prospectus. In addition, any securities covered by this prospectus which qualify for sale pursuant to Rule 144 of the Securities Act of 1933, as amended (the "1933 Act"), may be sold under Rule 144 rather than pursuant to this Prospectus. Finally, each Selling Shareholder and any brokers and dealers through whom sales of the Shares are made may be deemed to be "underwriters" within the meaning of the 1933 Act, and the commissions or discounts and other compensation paid to such persons may be regarded as underwriters' compensation.

The Shares are traded on the Nasdaq Stock Market. The average of the high and low prices of the Shares as reported on the Nasdaq Stock Market on February 7, 1996 was \$96.30 per share.

THESE SECURITIES HAVE NOT BEEN APPROVED OR DISAPPROVED BY THE SECURITIES AND EXCHANGE COMMISSION NOR HAS THE COMMISSION PASSED UPON THE ACCURACY OR ADEQUACY OF THIS PROSPECTUS. ANY REPRESENTATION TO THE CONTRARY IS A CRIMINAL OFFENSE.

-----  
The date of this Prospectus is February \_\_, 1996.

All of the securities to be registered hereby are to be offered for the account of security holders.

## EXPERTS

The consolidated financial statements of Microsoft as of June 30, 1995, and 1994 and for each of the three years in the period ended June 30, 1995, incorporated by reference in this Prospectus from Microsoft's Annual Report on Form 10-K, have been audited by Deloitte & Touche LLP, independent public accountants, as stated in their report which is incorporated herein by reference, and has been so incorporated in reliance upon such report given upon the authority of said firm as experts in accounting and auditing.

DISCLOSURE OF COMMISSION POSITION ON INDEMNIFICATION  
FOR SECURITIES ACT LIABILITIES

Article XII of Microsoft's Restated Articles of Incorporation authorizes Microsoft to indemnify any present or former director, officer, employee, or agent of Microsoft, or a person serving in a similar post in another organization at the request of Microsoft, against expenses, judgments, fines, and amounts paid in settlement incurred by him in connection with any threatened, pending, or completed action, suit, or proceeding, whether civil, criminal, administrative, or investigative, to the fullest extent not prohibited by the Washington Business Corporation Act, public policy or other applicable law. Chapter 23B.08.510 and .570 of the Washington Business Corporation Act authorizes a corporation to indemnify its directors, officers, employees, or agents in terms sufficiently broad to permit such indemnification under certain circumstances for liabilities (including provisions permitting advances for expenses incurred) arising under the 1933 Act.

Insofar as indemnification for liabilities arising under the 1933 Act may be permitted to directors, officers, or persons controlling the registrant pursuant to the foregoing provisions, the Registrant has been informed that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the 1933 Act and is therefore unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the 1933 Act and will be governed by the final adjudication of such issue.

## OTHER INFORMATION

Microsoft's revenues and net income for the 30-day period ended February 11, 1996 were \$725 Million and \$180 Million, respectively. The Merger, described above, which closed January 12, 1996, has been accounted for as a pooling of interests. The revenue and net income amounts set forth above include 30 days of combined operations with Vermeer. This information is reported for purposes of complying with the Securities and Exchange Commission's Accounting Series Release 135. This information includes operations from part of the third quarter of Microsoft's fiscal year, which quarter will end March 31, 1996, and is not necessarily indicative of the results of operations for Microsoft's third quarter ending March 31, 1996 or the fiscal year ending June 30, 1996.

## PART II

## INFORMATION NOT REQUIRED IN PROSPECTUS

## Item 14. Other Expenses of Issuance and Distribution.

The expenses relating to the registration of Shares will be borne by the registrant. Such expenses are estimated to be as follows:

Registration Fee--	\$ 31,674.37
Securities and Exchange Commission	
Accountant's Fees	\$ 1,000.00
Legal Fees	\$ 3,000.00
Miscellaneous	\$ 500.00
Total	\$ 36,174.37
	=====

## Item 15. Indemnification of Directors and Officers.

Article XII of the Restated Articles of Incorporation of Microsoft authorizes Microsoft to indemnify any present or former director or officer to the fullest extent not prohibited by the Washington Business Corporation Act, public policy or other applicable law. Chapter 23B.8.510 and .570 of the Washington Business Corporation Act authorizes a corporation to indemnify its directors, officers, employees, or agents in terms sufficiently broad to permit such indemnification under certain circumstances for liabilities (including provisions permitting advances for expenses incurred) arising under the 1933 Act.

The directors and officers of Microsoft are entitled to indemnification by the Selling Shareholders against any cause of action, loss, claim, damage, or liability to the extent it arises out of or is based upon the failure of the Selling Shareholder (or his donees, legatees, or pledgees) and each underwriter to comply with the Prospectus delivery requirements under the federal securities laws or any applicable state securities laws or upon any untrue statement or alleged untrue statement or omission or alleged omission made in this Registration Statement and the Prospectus contained herein, as the same shall be amended or supplemented, made in reliance upon or in conformity with written information furnished to Microsoft by such Selling Shareholder or such underwriter.

## Item 16. List of Exhibits.

The Exhibits to this registration statement are listed in the Index to Exhibits on page II-5.

## Item 17. Undertakings.

The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement;

provided, however, that paragraphs (1)(i) and (1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed by Microsoft pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934, as amended (the "Exchange Act") that are incorporated by reference in this Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) For purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
