Item 1. Security and Issuer.

This statement on Schedule 13D (this “Statement”) relates to the shares of common stock, par value \$0.0001 per share (the “Shares”), of Greenfield Online, Inc., a Delaware corporation (“Greenfield”). Greenfield’s principal executive offices are located at 21 River Road, Wilton, Connecticut 06897. Greenfield’s telephone number at such address is (203) 834-8585.

Item 2. Identity and Background.

This Statement is filed by Crisp Acquisition Corporation (“Crisp”) and Microsoft Corporation (“Microsoft”) (collectively, the “Reporting Persons”).

Crisp, a Delaware corporation, has its principal executive offices at One Microsoft Way, Redmond, Washington 98052, and the telephone number at such principal executive offices is (425) 882-8080. Crisp was incorporated by Microsoft solely for the purpose of acquiring Greenfield and has not conducted any unrelated activities since its incorporation. All of the issued and outstanding stock of Crisp was owned by Microsoft prior to the Merger (as such term is defined in Item 3). On October 15, 2008, at the effective time of the Merger (the “Effective Time”), Crisp merged with and into Greenfield and Crisp’s separate corporate existence ceased.

On September 11, 2008, Crisp commenced a tender offer to purchase all outstanding Shares at a purchase price of \$17.50 per Share net to the seller in cash, without interest thereon and less any applicable withholding taxes (the “Offer Price”), upon the terms and subject to the conditions set forth in the offer to purchase (the “Offer to Purchase”) that was filed as Exhibit (a)(1)(A) to the Schedule TO filed by Microsoft with the Securities and Exchange Commission (the “SEC”) on September 11, 2008 (as amended, the “Schedule TO”), and the related letter of transmittal (the “Letter of Transmittal”) that was filed as Exhibit (a)(1)(B) to the Schedule TO (which, together with any amendments or supplements thereto, collectively constitute the “Offer”).

Microsoft, a Washington corporation, has its principal executive offices at One Microsoft Way, Redmond, Washington 98052, and the telephone number at such principal executive offices is (425) 882-8080. Microsoft generates revenue by developing, manufacturing, licensing and supporting a wide range of software products and services for many different types of computing devices. Microsoft’s software products and services include operating systems for servers, personal computers and intelligent devices; server applications for distributed computing environments; information worker productivity applications; business solutions applications; high-performance computing applications; software development tools; and video games. Microsoft provides consulting and product support services, and trains and certifies computer system integrators and developers. Microsoft also designs and sells hardware including the Xbox 360 video game console, the Zune digital music and entertainment device, and peripherals. Online offerings and information are delivered through Live Search, Windows Live, Office Live, Microsoft’s MSN portals and channels, and the Microsoft Online Services platform, which includes offerings for businesses such as Microsoft Dynamics CRM Online, Exchange Hosted Services, Exchange Online and SharePoint Online. Microsoft enables the delivery of online advertising across its broad range of digital media properties and on Live Search through its proprietary adCenter® platform. Microsoft also researches and develops advanced technologies for future software products and services. Microsoft has five operating segments: Client, Server and Tools, Online Services Business, Microsoft Business Division, and Entertainment and Devices Division.

The executive officers and directors of Crisp as of October 15, 2008 (prior to the Effective Time), and of Microsoft as of October 15, 2008, are set forth on Schedules I and II attached hereto, which contain the following information with respect to each such person:

- (a) Name;
- (b) Business address;
- (c) Present principal occupation or employment and the name and address of any corporation or other organization in which such employment is conducted; and
- (d) Citizenship.

During the last five years, none of the Reporting Persons or any person named in any of Schedules I and II attached hereto has been (a) convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors) or (b) a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

Item 3. Source and Amount of Funds or Other Consideration.

On August 29, 2008, Microsoft and Crisp entered into an Agreement and Plan of Merger (the "Merger Agreement") with Greenfield. Pursuant to the Merger Agreement, Crisp completed the Offer to purchase all the outstanding Shares, at the Offer Price. Crisp acquired 25,124,846 Shares pursuant to the Offer. Following the completion of the Offer, Crisp merged with and into Greenfield (the "Merger") on October 15, 2008, with Greenfield surviving the Merger as a direct, wholly-owned subsidiary of Microsoft, and each issued and outstanding share of common stock of Crisp, par value \$0.01 per share, was converted into and became one share of common stock of Greenfield, par value \$0.01 per share (the "Common Stock"). After the Merger, the Common Stock constitutes the only outstanding shares of capital stock of Greenfield.

The foregoing description of the Merger Agreement and the transactions contemplated therein, including the Offer and the Merger, and any other descriptions of the Merger Agreement and the transactions contemplated therein contained in this Statement, do not purport to be complete and are qualified in their entirety by reference to the Merger Agreement, attached as Exhibit (d)(1) to the Schedule TO, which is incorporated herein by reference.

The total cost of acquiring the Shares pursuant to the Offer was approximately \$439.7 million. Microsoft and Crisp estimate that the total amount of funds required to consummate the Offer and the Merger, including the acquisition of all the outstanding Shares pursuant to the Offer and the Merger is approximately \$486.9 million (which estimate includes payment in respect of outstanding in-the-money options). Microsoft provided Crisp with sufficient funds to purchase all Shares properly tendered in the Offer and to make payment in respect of all outstanding in-the-money options. Microsoft also provided Crisp with sufficient funds to purchase all Shares acquired pursuant to the Merger. Microsoft funded the purchase of the Shares acquired pursuant to the Offer and the Merger, as well as the payment in respect of the outstanding in-the-money options, from Microsoft's existing cash balances.

Item 4. Purpose of the Transaction.

On September 11, 2008, Crisp commenced the Offer upon the terms and subject to the conditions set forth in the Offer to Purchase and in the related Letter of Transmittal. The Offer expired at 12:00 midnight, New York City time, at the end of Wednesday, October 8, 2008. On October 9, 2008, Microsoft filed an amendment to the Schedule TO to report that Crisp had accepted for purchase an aggregate of 25,946,766 Shares (including 2,684,338 Shares tendered pursuant to the guaranteed delivery procedures set forth in the Offer to Purchase) that were validly tendered and not withdrawn pursuant to the Offer. Crisp ultimately acquired 25,124,846 Shares pursuant to the Offer. The purpose of the Offer was for Microsoft, through Crisp, to acquire control of, and the entire equity interest in, Greenfield. The Offer, as the first step in the acquisition of Greenfield, was intended to facilitate the acquisition of all outstanding Shares.

Pursuant to the Merger Agreement, each Greenfield director, other than Joel R. Mesznik and Joseph A. Ripp, submitted letters of resignation from the Greenfield board of directors effective immediately upon the time of acceptance for payment and payment for Shares pursuant to the Offer (the "Acceptance Time"), which occurred on October 9, 2008. Effective immediately upon the Acceptance Time, the Greenfield board of directors appointed Keith R. Dolliver, Benjamin O. Orndorff and John A. Seethoff as Greenfield directors. Such individuals were designated for appointment as directors by Microsoft pursuant to the Merger Agreement, and their appointment provided Microsoft with majority representation on the Greenfield board of directors.

On October 15, 2008, the Merger was effected through a short-form merger of Crisp with and into Greenfield under Delaware law without the vote of, or any other action by, other Greenfield stockholders. The purpose of the Merger was to acquire all outstanding Shares not validly tendered and purchased pursuant to the Offer. Upon the Merger, each share of Crisp held by Microsoft converted into one share of Common Stock. Thereafter, Crisp's separate corporate existence ceased and Greenfield survived the Merger as a direct, wholly-owned subsidiary of Microsoft. Immediately prior to the Effective Time, Messrs. Mesznik, Seethoff and Ripp resigned from the Greenfield board of directors.

As a result of the Merger, each Share outstanding immediately prior to the Effective Time was cancelled and ceased to exist and (other than Shares held by Greenfield or its subsidiaries or by stockholders who exercise appraisal rights under, and in accordance with, Delaware law) converted in the Merger into the right to receive \$17.50 per Share, without interest thereon and less any applicable withholding taxes. Further, upon the consummation of the Merger:

- the directors of Crisp immediately prior to the Effective Time became the directors of Greenfield;
- the officers of Greenfield immediately prior to the Effective Time became the officers of Greenfield, as the surviving corporation;
- the certificate of incorporation and bylaws of Greenfield were amended and restated pursuant to the provisions of the Merger Agreement so as to read in their entirety as the certificate of incorporation and bylaws of Crisp as in effect immediately prior to the Effective Time (except the references to Crisp's name was replaced by references to Greenfield and certain other minor changes were made); and
- the certificate of ownership and merger was filed with the Secretary of State of the State of Delaware.

Following the Effective Time:

- a Form 25 was filed with the SEC to delist the Shares from the NASDAQ Global Market and to seek termination of the Shares from registration under Section 12(b) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"); and
- a Form 15 was filed with the SEC to seek termination of the Shares from registration under Section 12(g) of the Exchange Act.

In connection with its entry into the Merger Agreement, Microsoft entered into an agreement with ZM Surveys LLC, for the sale of the assets comprising the internet survey solutions business (the "ISS Business") operated by Greenfield and certain of its subsidiaries.

Microsoft will evaluate the non-ISS Business-related business and operations of Greenfield after the consummation of the Merger, and will take such actions as it deems appropriate under the circumstances then existing. Thereafter, Microsoft intends to review such information as part of a comprehensive review of Greenfield's business, operations, capitalization and management with a view to optimizing development of Greenfield's potential in conjunction with Microsoft's existing businesses.

The information contained in Item 5(a) and (b) of this statement and the information contained in the sections of the Offer to Purchase entitled "The Merger Agreement" and "Dividends and Distributions" is incorporated herein by reference. Except as set forth in this Statement (including any information incorporated by reference) and in connection with the transaction described above, none of the Reporting Persons has any plan or proposal that relates to or would result in any of the transactions described in subparagraphs (a) through (j) of Item 4 to Schedule 13D.

Item 5. Interest in Securities of the Issuer.

(a) and (b) Immediately prior to the Merger, on October 15, 2008, Crisp was the beneficial owner, with shared dispositive and voting power, of 25,124,846 Shares, representing approximately 95.3% of the issued and outstanding Shares.

Immediately prior to the Merger, on October 15, 2008, Microsoft was the beneficial owner, with shared dispositive and voting power, of 25,126,346 Shares (including 1,500 Shares held by a subsidiary of Microsoft), representing approximately 95.3% of the issued and outstanding Shares. Immediately following the Merger, on October 15, 2008, Microsoft is the direct owner, with sole dispositive and voting power, of 100 shares of Common Stock, representing 100% of the issued and outstanding shares of Common Stock.

Pursuant to the Merger Agreement, at the Effective Time, all Shares outstanding prior to such time were cancelled and ceased to exist and (other than Shares held by Greenfield or its affiliates or by stockholders who exercise appraisal rights under Delaware law) converted in the Merger into the right to receive \$17.50 per Share, without interest thereon and less any applicable withholding taxes. As a result, all of the Shares owned by Microsoft and Crisp were cancelled and ceased to exist. Immediately prior to the Merger, Microsoft held 100 shares of the common stock of Crisp, par value \$0.01 per share, which shares represented all of the issued and outstanding capital stock of Crisp. Upon the Merger, each share of Crisp held by Microsoft converted into one share of Common Stock. Thereafter, Crisp's separate corporate existence ceased and Greenfield survived the Merger as a direct, wholly-owned subsidiary of Microsoft.

(c) On October 9, 2008, Crisp accepted for payment and purchased 23,262,428 Shares, or approximately 88.2% of the 26,370,252 issued and outstanding Shares as of October 8, 2008, at the Offer Price in connection with the Offer, which Shares represent the number of Shares validly tendered and not withdrawn as of the expiration date for the Offer (excluding Shares subject to notices of guaranteed delivery). On October 9, 2008, Crisp also accepted for payment at the Offer Price 2,684,338 Shares that were tendered in connection with the Offer by notices of guaranteed delivery. Pursuant to Shares delivered pursuant to notices of guaranteed delivery in connection with the Offer, Crisp purchased the following number of Shares on the following dates at the Offer Price:

<u>Date</u>	<u>Number of Shares</u>
October 9, 2008	297,176
October 10, 2008	1,044,662
October 13, 2008	356,500
October 14, 2008	164,080
Total:	1,862,418

Upon the completion of the Offer, Crisp had acquired in the aggregate 25,124,846 Shares that had been validly tendered and not withdrawn in connection with the Offer, representing, together with the 1,500 Shares previously owned by Microsoft, 25,126,346 Shares in the aggregate, or approximately 95.3% of the issued and outstanding Shares.

(d) Not applicable.

(e) On October 15, 2008, upon the Effective Time, Crisp and Microsoft each ceased to be the beneficial owner of more than 5% of the Shares. However, as noted above, after the Effective Time, Microsoft owns 100% of the Common Stock.

Item 6. Contracts, Arrangements, Understandings or Relationships With Respect to Securities of the Issuer.

The information set forth under Items 2, 3, 4 and 5 of this Statement is incorporated herein by reference.
