Explanation of Responses:

- Held through "contrats d'assurance vie," a form of life insurance program, where the reporting person maintains investment control over the Microsoft shares held in the program. Beneficiaries of the program include the reporting person's minor children. The reporting person disclaims beneficial ownership of these securities, except to the extent of his pecuniary interest therein.
- Held through "contrats de capitalization," a form of life insurance program for the benefit of the reporting person's three minor children, where the reporting person maintains investment control over the Microsoft shares held in the program. The reporting person disclaims beneficial ownership of these securities, except to the extent of his pecuniary interest therein.
- 1-for-1
- This filing is being made to report the increase, effective June 20, 2005, in the minimum number of shares of common stock issuable under a shared performance stock award ("SPSA") for the fiscal 2004-2006 performance period.
- The number of shares ultimately received depends on the company's performance against specified performance targets. At the end of the performance period, the number of shares of stock and stock awards will be determined by adjusting upward or downward from a target in a range between 33% and 150%. The number reported herein is based on the 33% minimum. The final performance percentage on which the payout will be based, considering company performance metrics established for the performance period, will be determined by the board or a board committee in its sole discretion. Shares of stock are issued at the end of the performance period and as the stock awards vest over the following two years, provided that the reporting person remains continuously employed through the applicable vest date.
- One-third of the number of shares of common stock ultimately awarded under the SPSA will be distributed to the reporting person on or about August 31, 2006 (the "initial vest date"), an additional one-third shall vest and distributed to the reporting person on each of the first and second anniversaries of the initial vest date, provided that the Reporting Person remains continuously employed through the applicable vesting date.
